What do you pay to this financial services provider?

You will find only average prices here. The average price is the price customers pay in a similar situation. The more complex your financial situation, the more you usually pay. Your financial service provider will inform you of the exact price. Also, always have agreements documented, so you know what the financial service provider will pay for you do and how much you pay for it.

	Consumer	Entrepreneur	Otherwise
Giving advice and arranging contract	€ 750	€ 975	€ 425
Arrange contract only	×	×	×
Giving advice only	×	×	×

What can this financial services provider do for you in the future?

When changes in your personal situation occur, always go back to a financial services provider. Because of these changes, the insurance may no longer fit your situation. For example, because your family situation or income changes. Then you might pay too much or run more risk than you want.

You can always visit a financial services provider for an orientation. Is there an important change in your insurance? Then the financial service provider or provider will contact you, without you paying for it.

Does this financial services provider also offer maintenance services? ¹

For maintenance services, you pay a fee via subscription, flat rate or hourly rate.

For more information about other services in the future, check your financial services provider's website [at www.financieelnext.nl](http://www.financieelnext.nl).

¹ With maintenance services, a financial services provider can monitor with you if there are changes that require an adjustment in your insurance.
